**OFFICE OF PETITIONS**

In re Patent No. 7,537,242 : DECISION ON REQUEST  
Fujii et al. : FOR  
Issue Date: May 26, 2009 : RECONSIDERATION OF  
Application No. 10/718,543 : PATENT TERM ADJUSTMENT  
Filed: November 24, 2003 : and  
Atty Docket No. 086142-0600 : NOTICE OF INTENT TO ISSUE  
: CERTIFICATE OF CORRECTION

This is a decision on the petition filed on July 24, 2009, which is being treated as a petition under 37 CFR 1.705(d) requesting that the patent term adjustment indicated on the above-identified patent be corrected to indicate that the term of the above-identified patent is extended or adjusted by **seven hundred ninety-five (795) days**.

The petition to correct the patent term adjustment indicated on the above-identified patent is **GRANTED to the extent indicated herein**. The patent term adjustment is corrected to indicate that the term of the above-identified patent is extended or adjusted by **seven hundred ninety-four (794) days**.

As the period from the filing date of the request for continued examination (RCE) to the issue date of the patent is not included in the "B" delay period, the over three year period begins on November 25, 2006 and ends on October 30, 2007, the day before the RCE was filed. See 35 U.S.C. 154(b)(1)(B)(i). Thus, the over 3 year period is 340 not 341 days. Considering that 4 days were already accorded for the "B" delay at issuance, the patent term adjustment is now increased by 336 days to 795 days.

The Office will *sua sponte* issue a certificate of correction. Pursuant to 37 CFR 1.322, the Office will not issue a certificate of correction without first providing assignee or patentee an opportunity to be heard. Accordingly, patentees are given **one (1) month or thirty (30) days**, whichever is longer, from the mail date of this decision to respond. No extensions of time will be granted under § 1.136.

The Office acknowledges submission of the \$200.00 fee set forth in 37 CFR 1.18(e) on September 9, 2008. No additional fees are required.

The application is being forwarded to the Certificates of Branch for issuance of a certificate of correction. The Office will issue a certificate of correction indicating that the term of the above-identified patent is extended or adjusted by **seven hundred ninety-four (794)** days.

Telephone inquiries specific to this matter should be directed to the undersigned at (571) 272-3219.
